

# 中联机械网站建站思路

费用预算：5k

版面简洁、色调统一；工业风、稍带科技感；

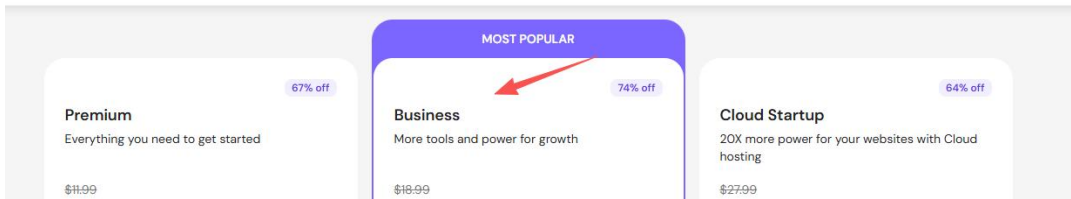

语言：英语 +谷歌翻译插件

系统：wordpress

页面：半定制 模板二创

服务器：hostinger 商务型（已购）；

wordpress 专用虚拟主机，ssl 证书，企业邮箱，CND 全球多节点缓存；

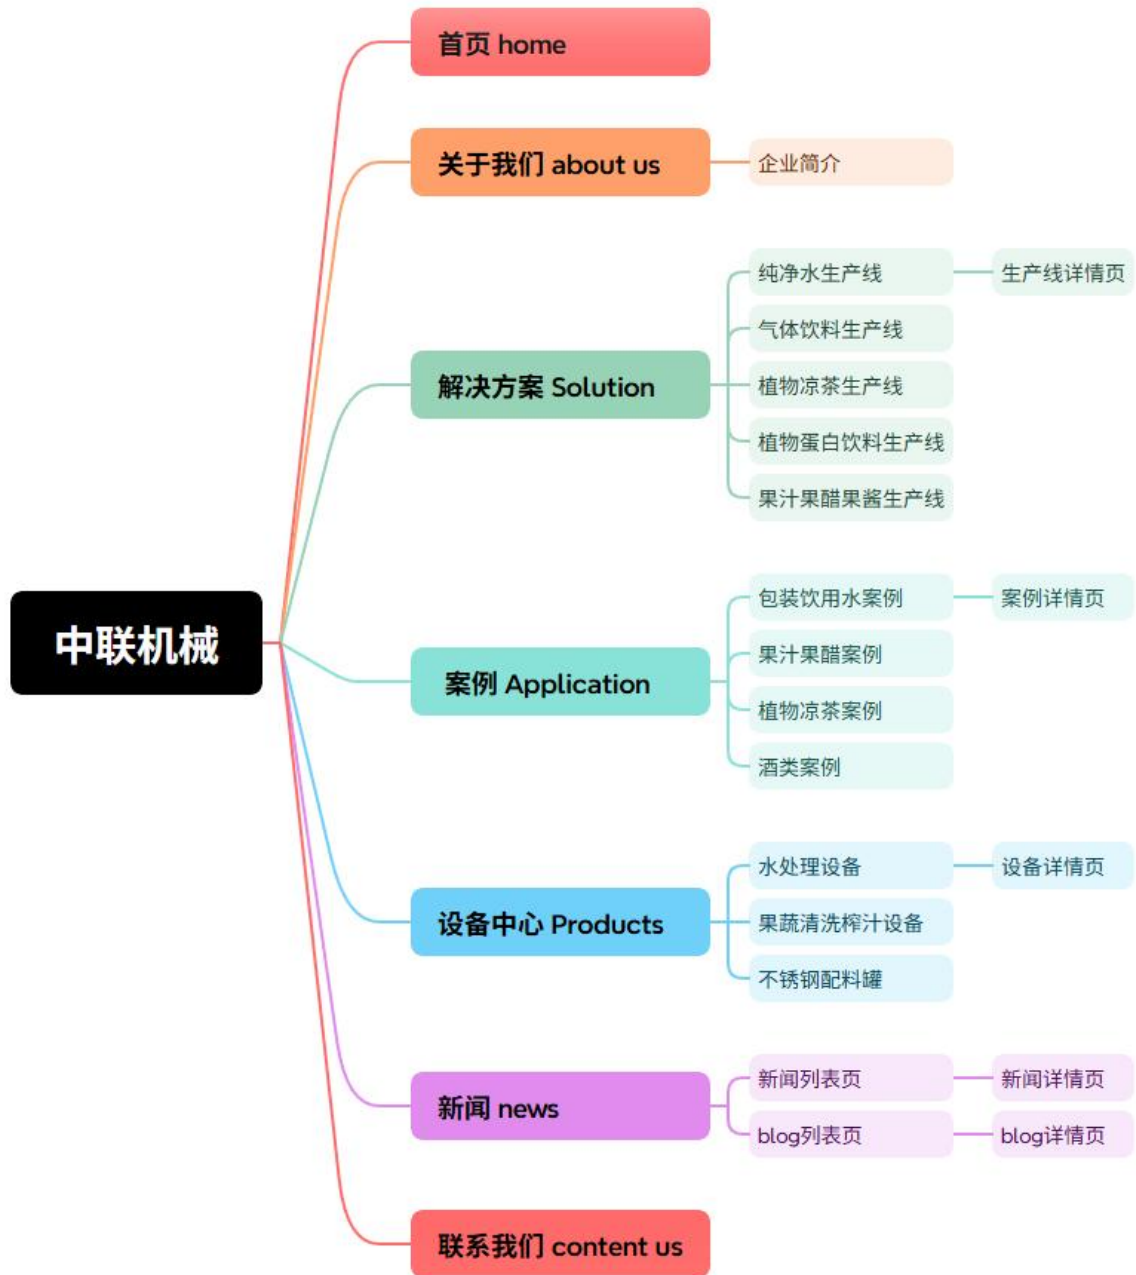

内容参考

内容：主要内容参考中联中文版网站

<http://www.zhonglianshebei.com>

页面整体架构思路：

增加：网站地图页面、404 页面及其它必要页面

# 同行借鉴

<https://navanfillingmachine.com>

靓点功能

**High-Performance PET Beer Bottle Filling Machine | Advanced Beer Packaging Machine**

From small-batch PET lines to high-speed operations, our **beer bottle filling machine** provides the durability and precision your **beer packaging machine** needs for total consistency.

Select product requirements by clicking:

Container Material : **PET bottles**

Production Capacity : **3,500-7,000 BPH**

Container Capacity : **200-2000ml**

\$26,000.00

**Bottle Blowing Machine**

Our PET bottle blowing machine is designed for producing high-quality PET plastic containers and bottles. It is widely used for manufacturing carbonated drink bottles, mineral water bottles, oil bottles, pesticide bottles, cosmetics bottles, wide-mouth jars, and more.

With our fully automatic blow molding system, you can easily produce PET bottles in a wide range of shapes and specifications with high efficiency and consistent quality.
